

The background of the slide is a photograph of a vast mountain landscape. Multiple layers of mountain ranges are visible, receding into the distance. The mountains in the foreground are dark and silhouetted, while the subsequent ranges become progressively lighter, appearing in shades of blue and purple due to atmospheric haze. The sky above the mountains is filled with soft, wispy clouds, illuminated by the warm, golden light of a setting or rising sun, creating a gradient from yellow near the horizon to a pale blue at the top.

Philippians 2:1-11

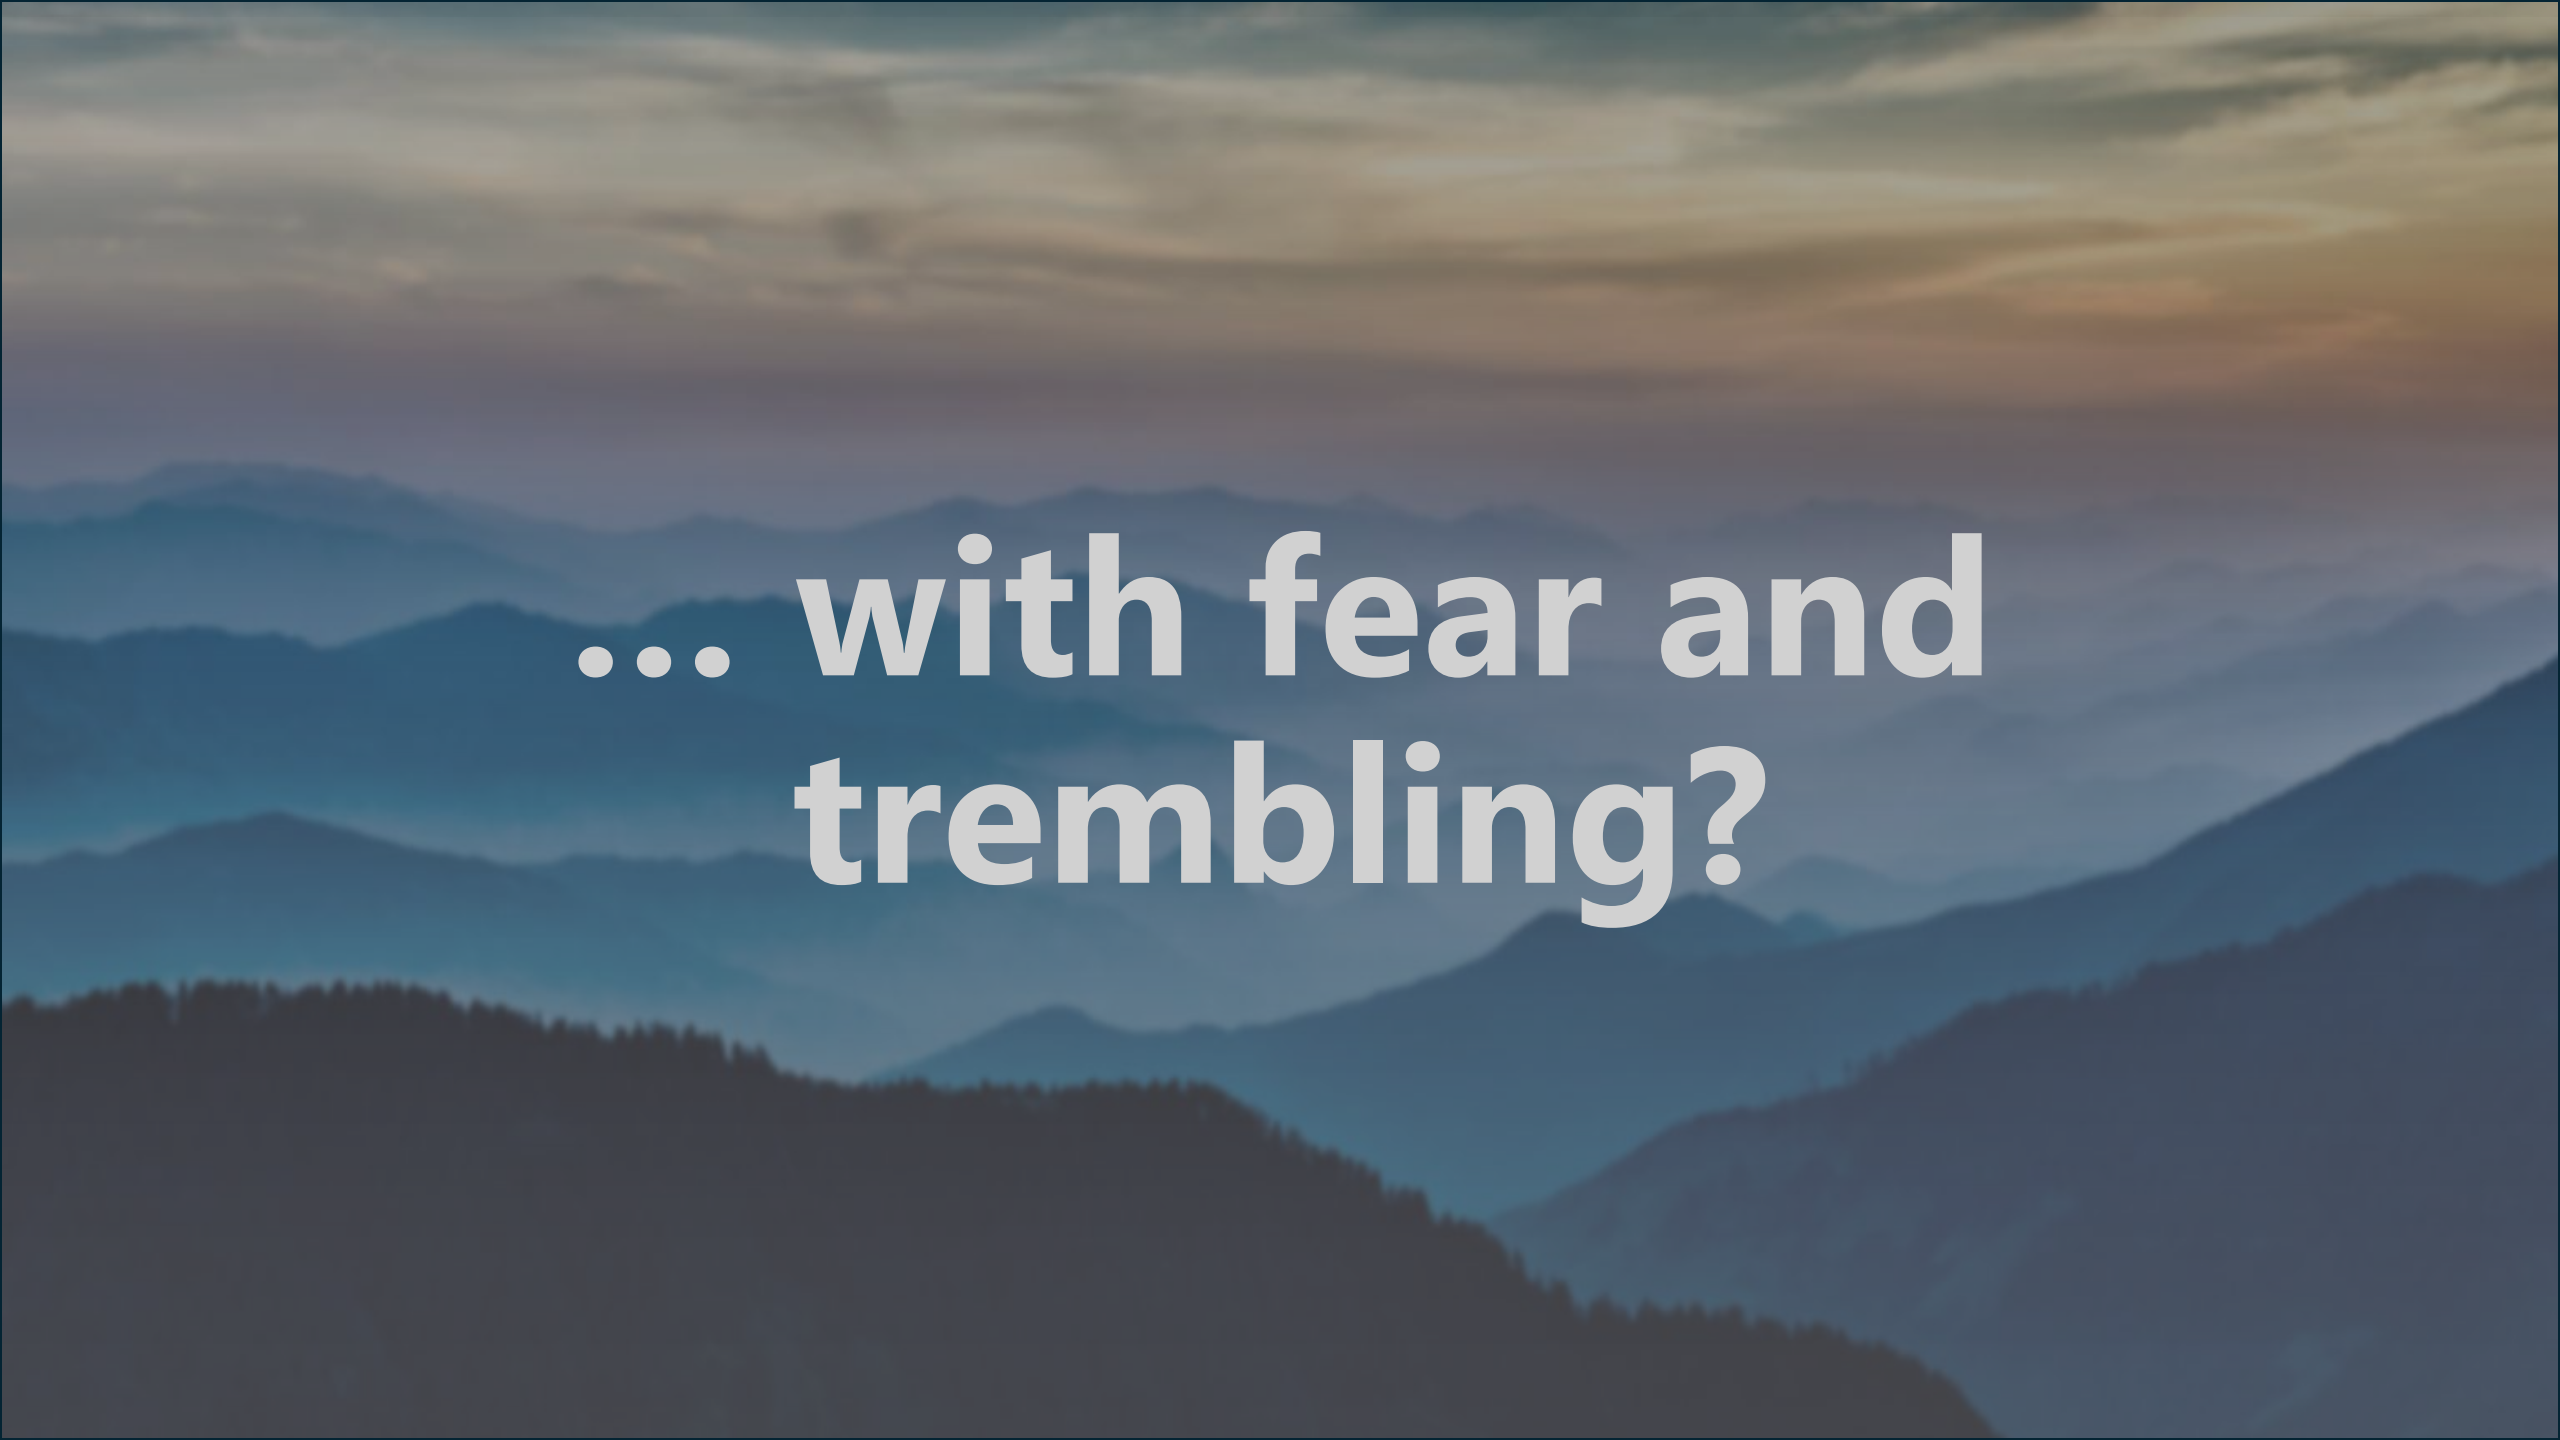

Therefore..,

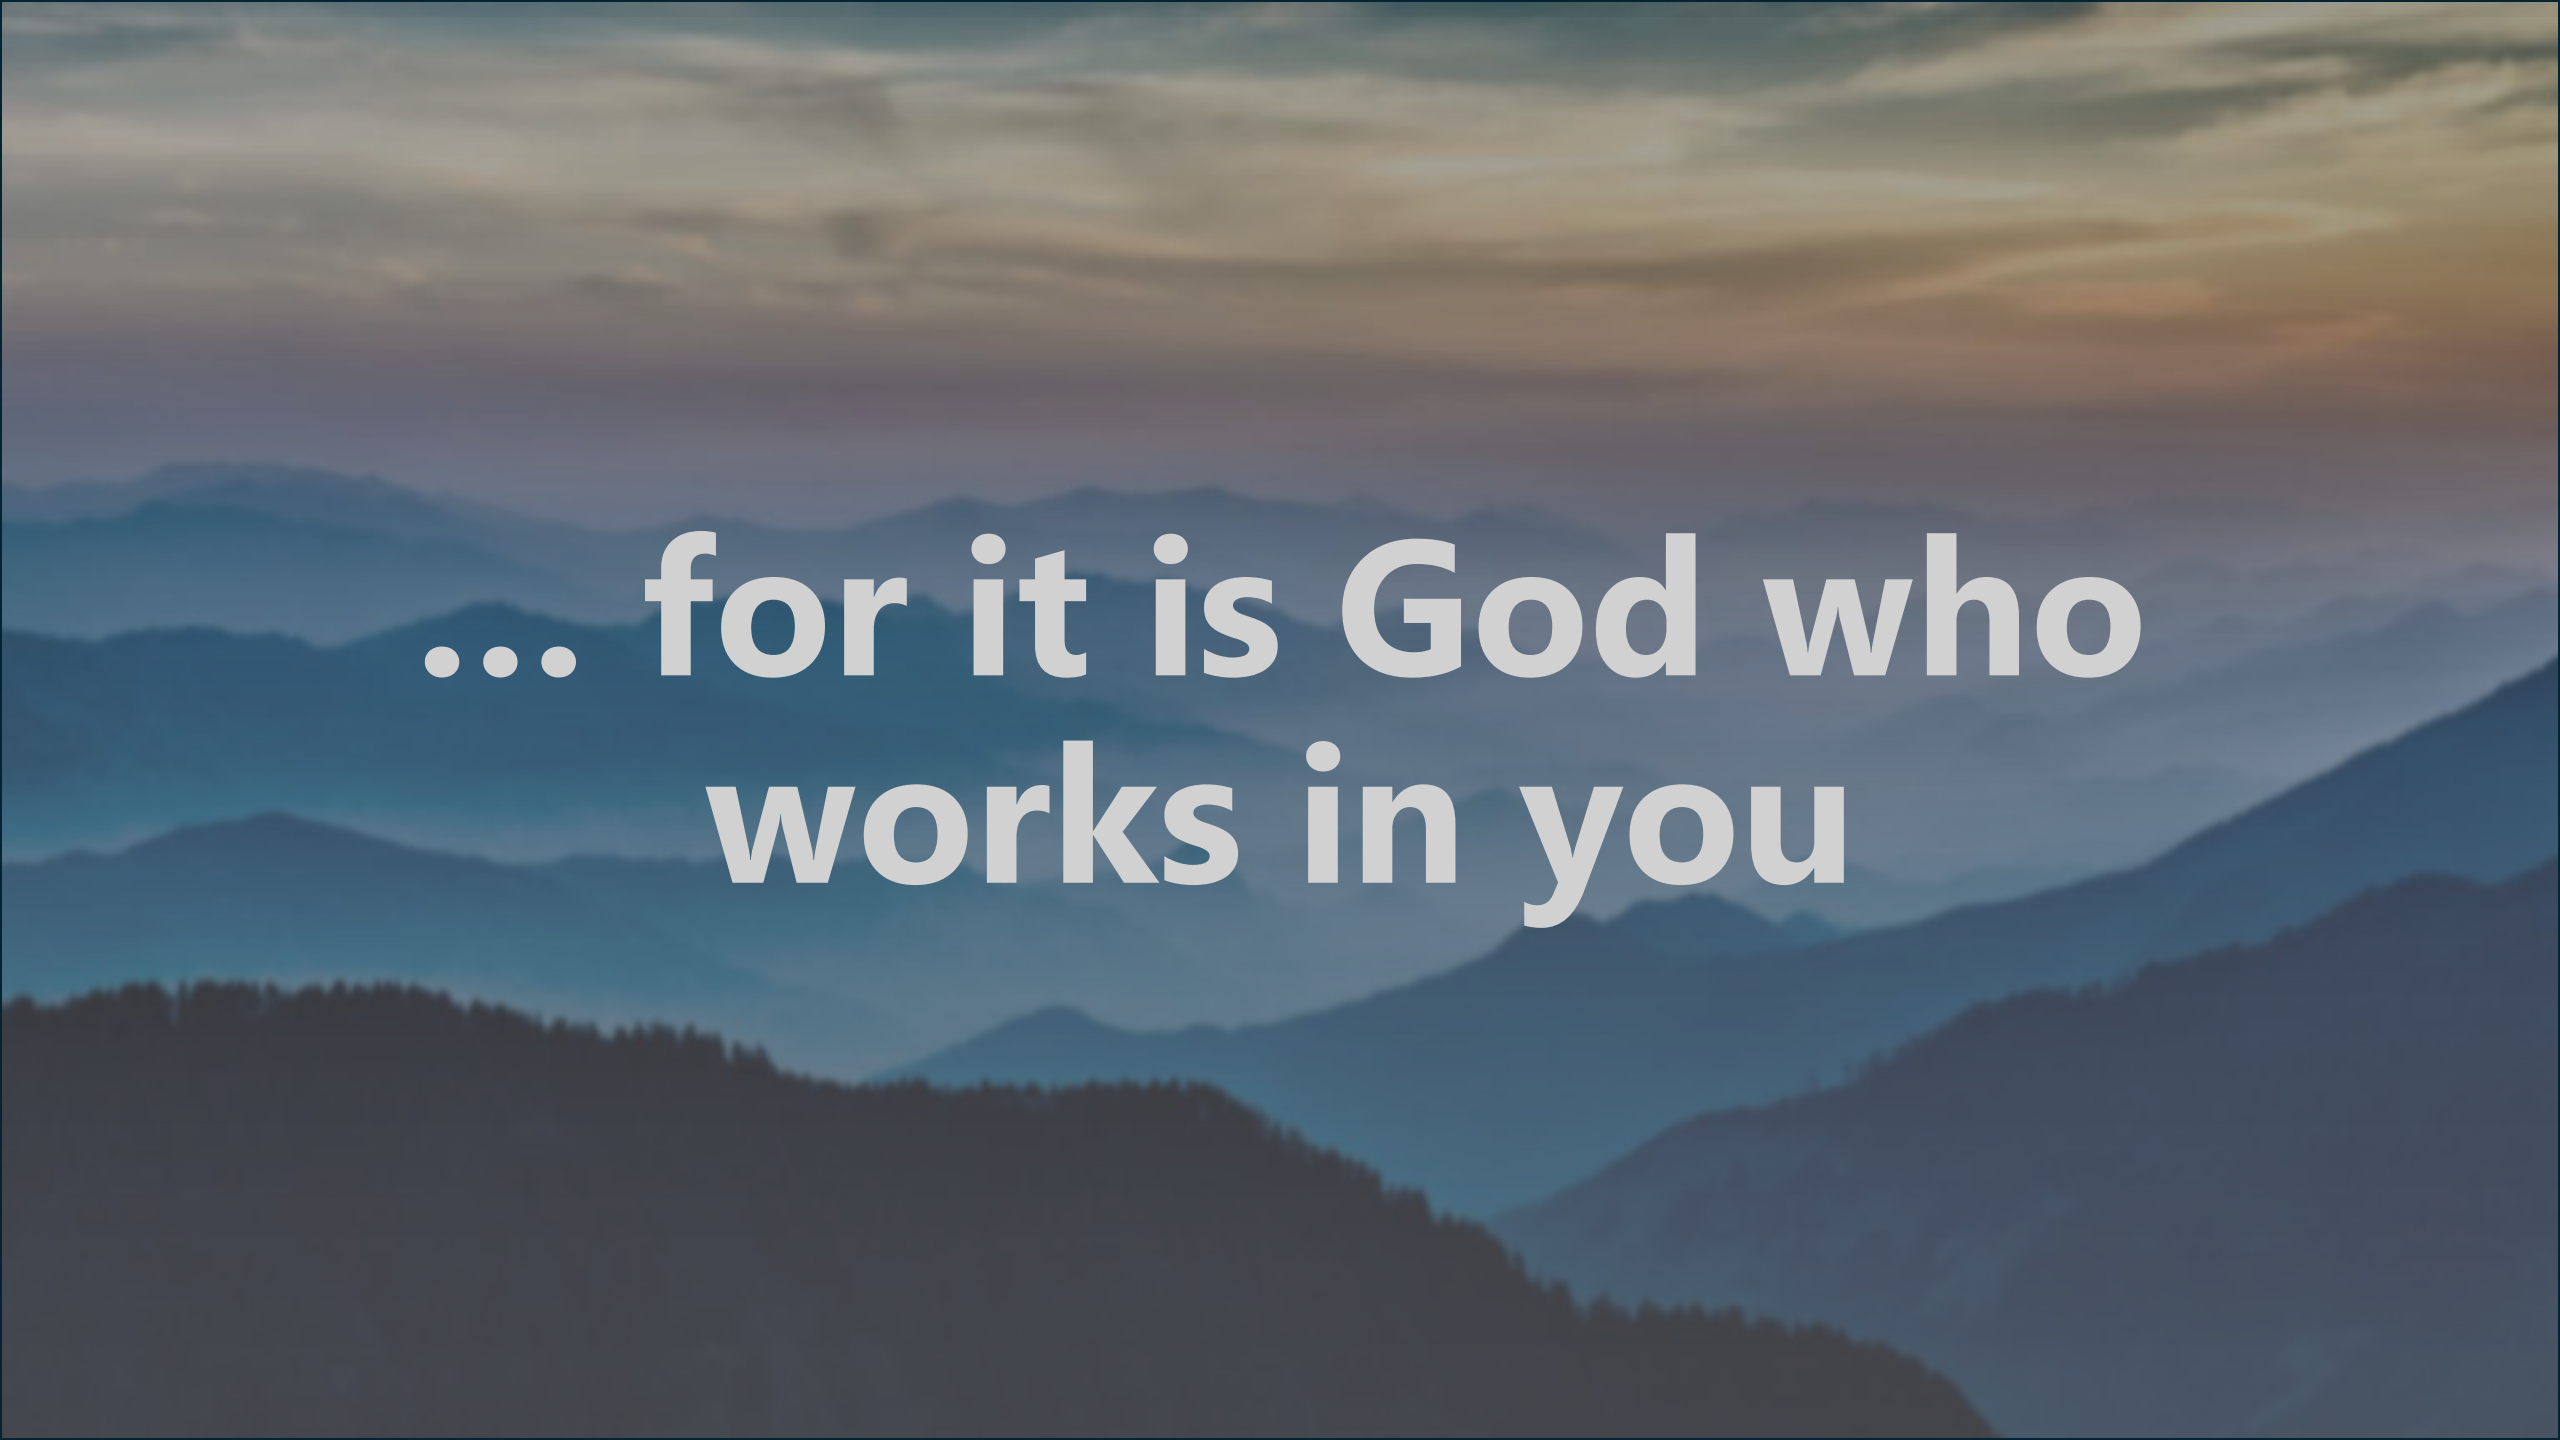

**Work out your own
salvation..?!**

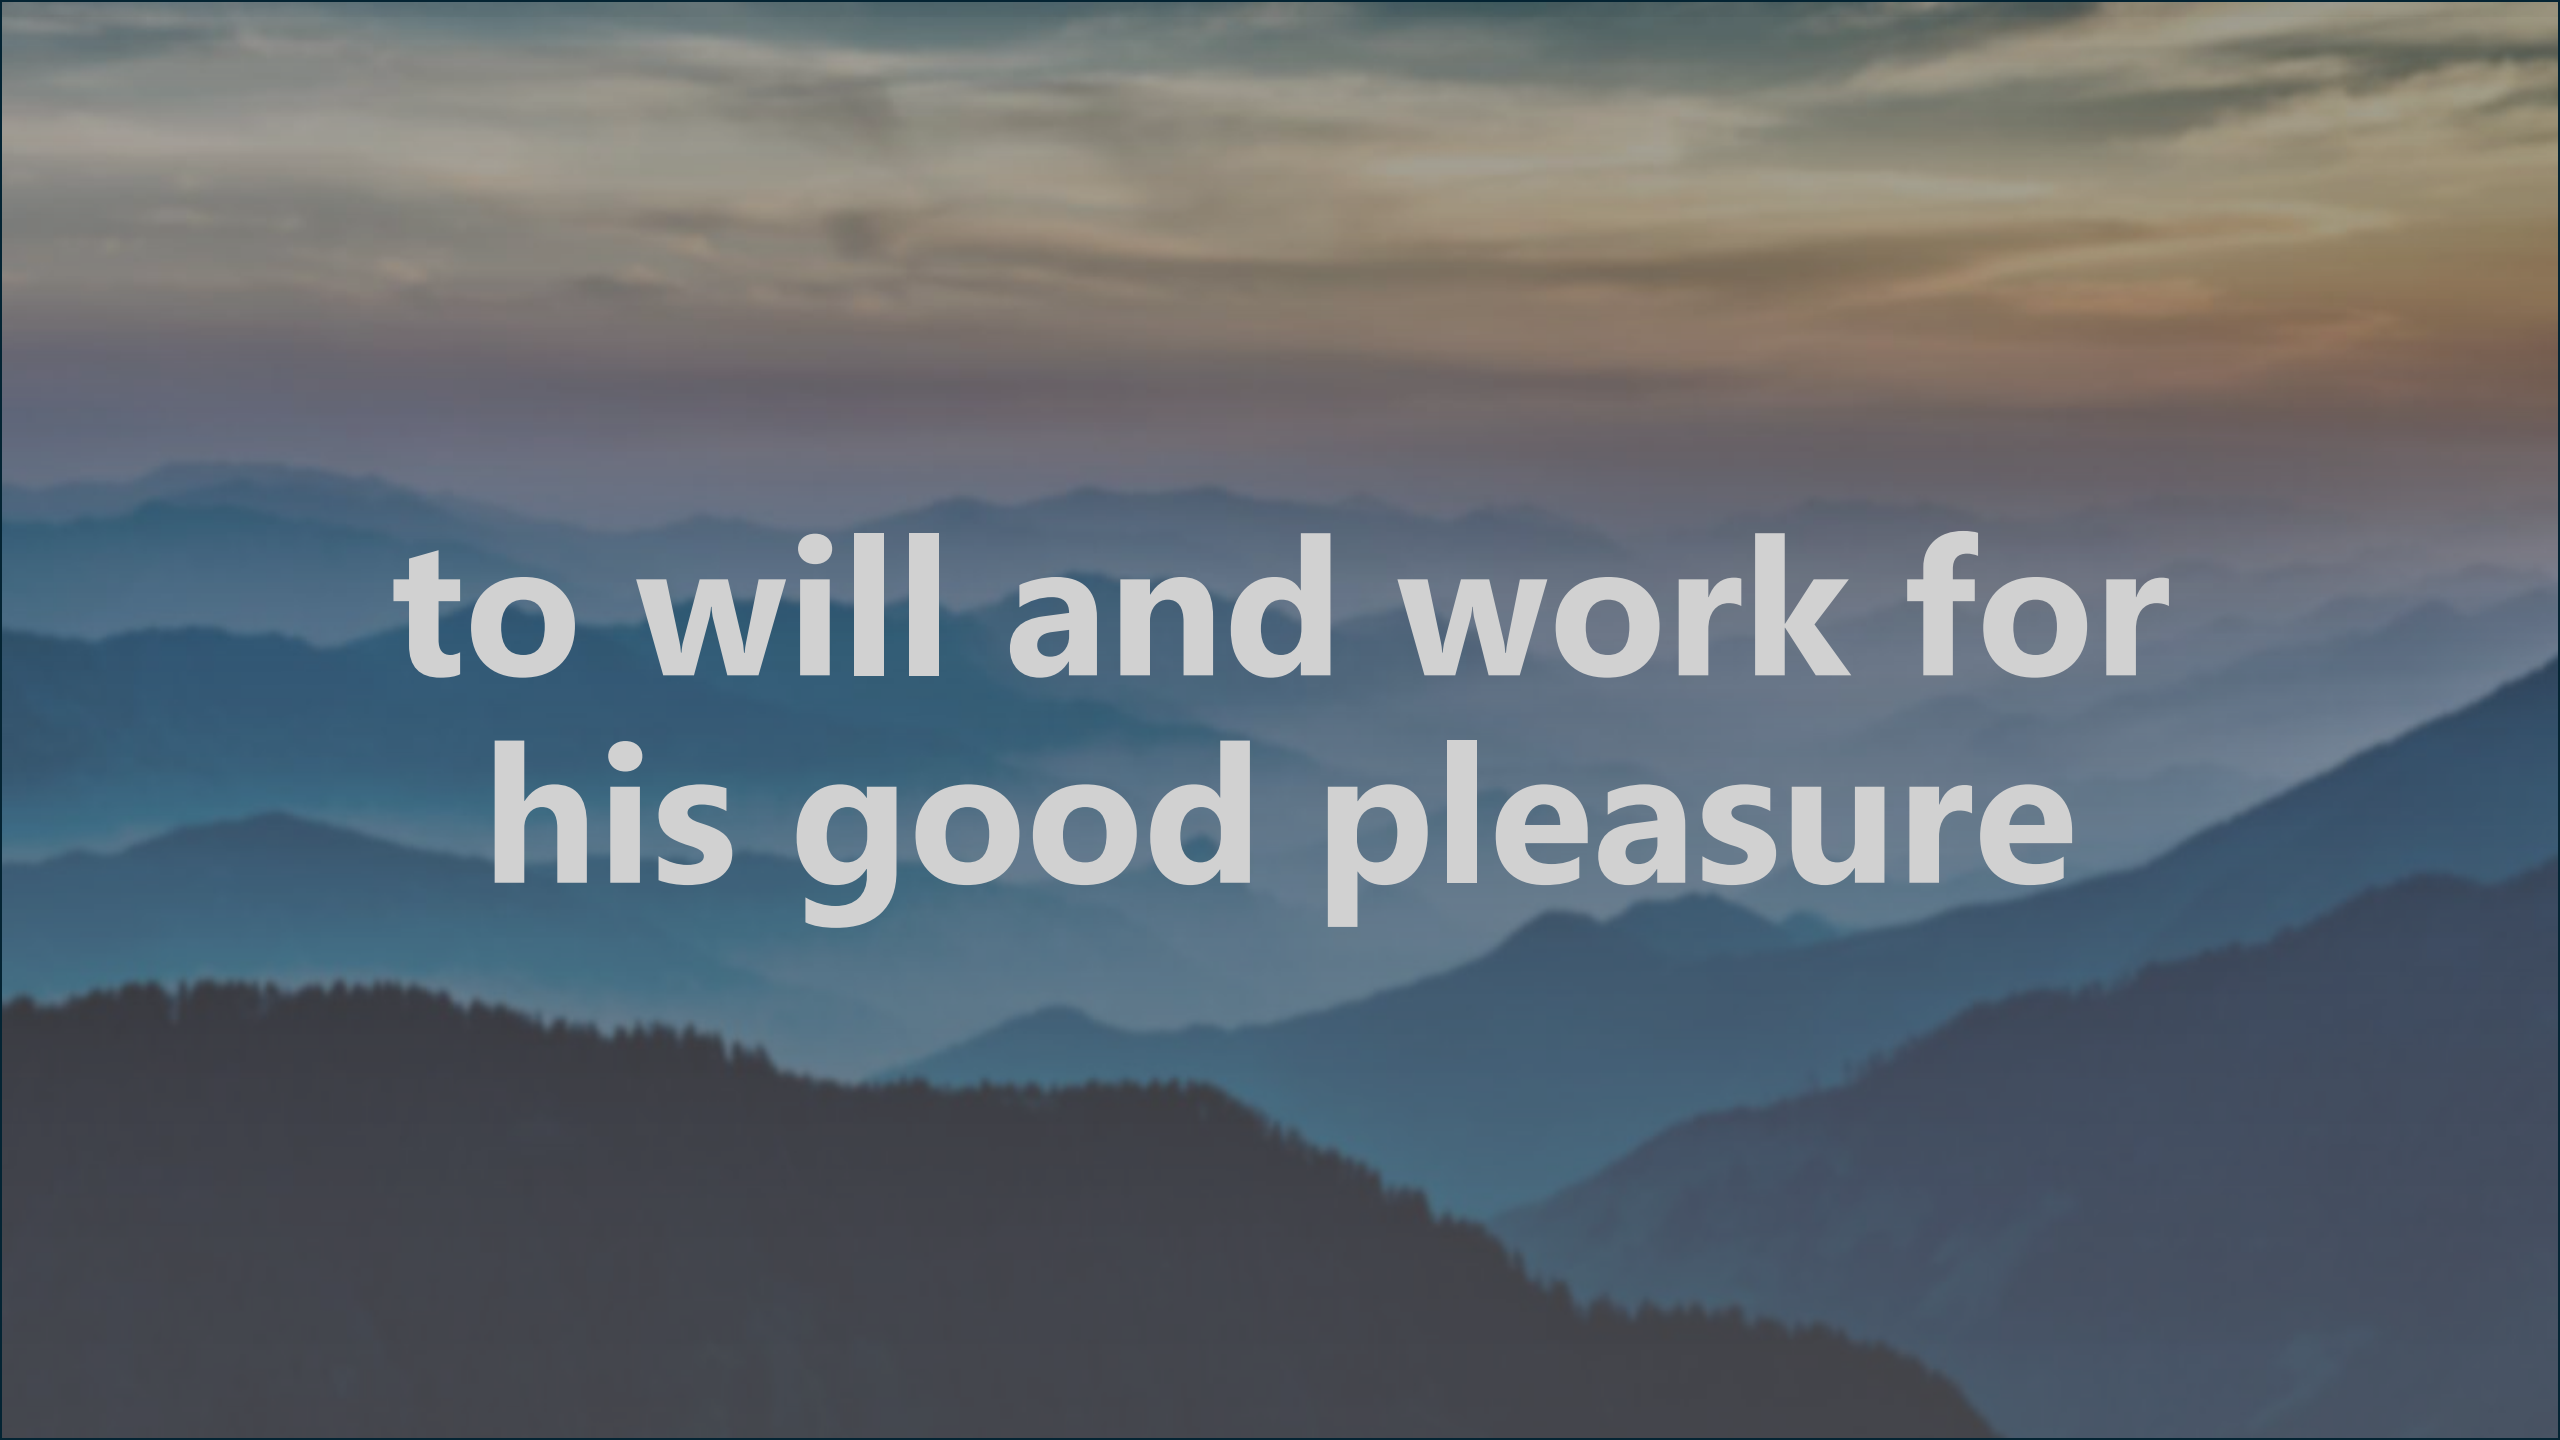

...your own salvation...

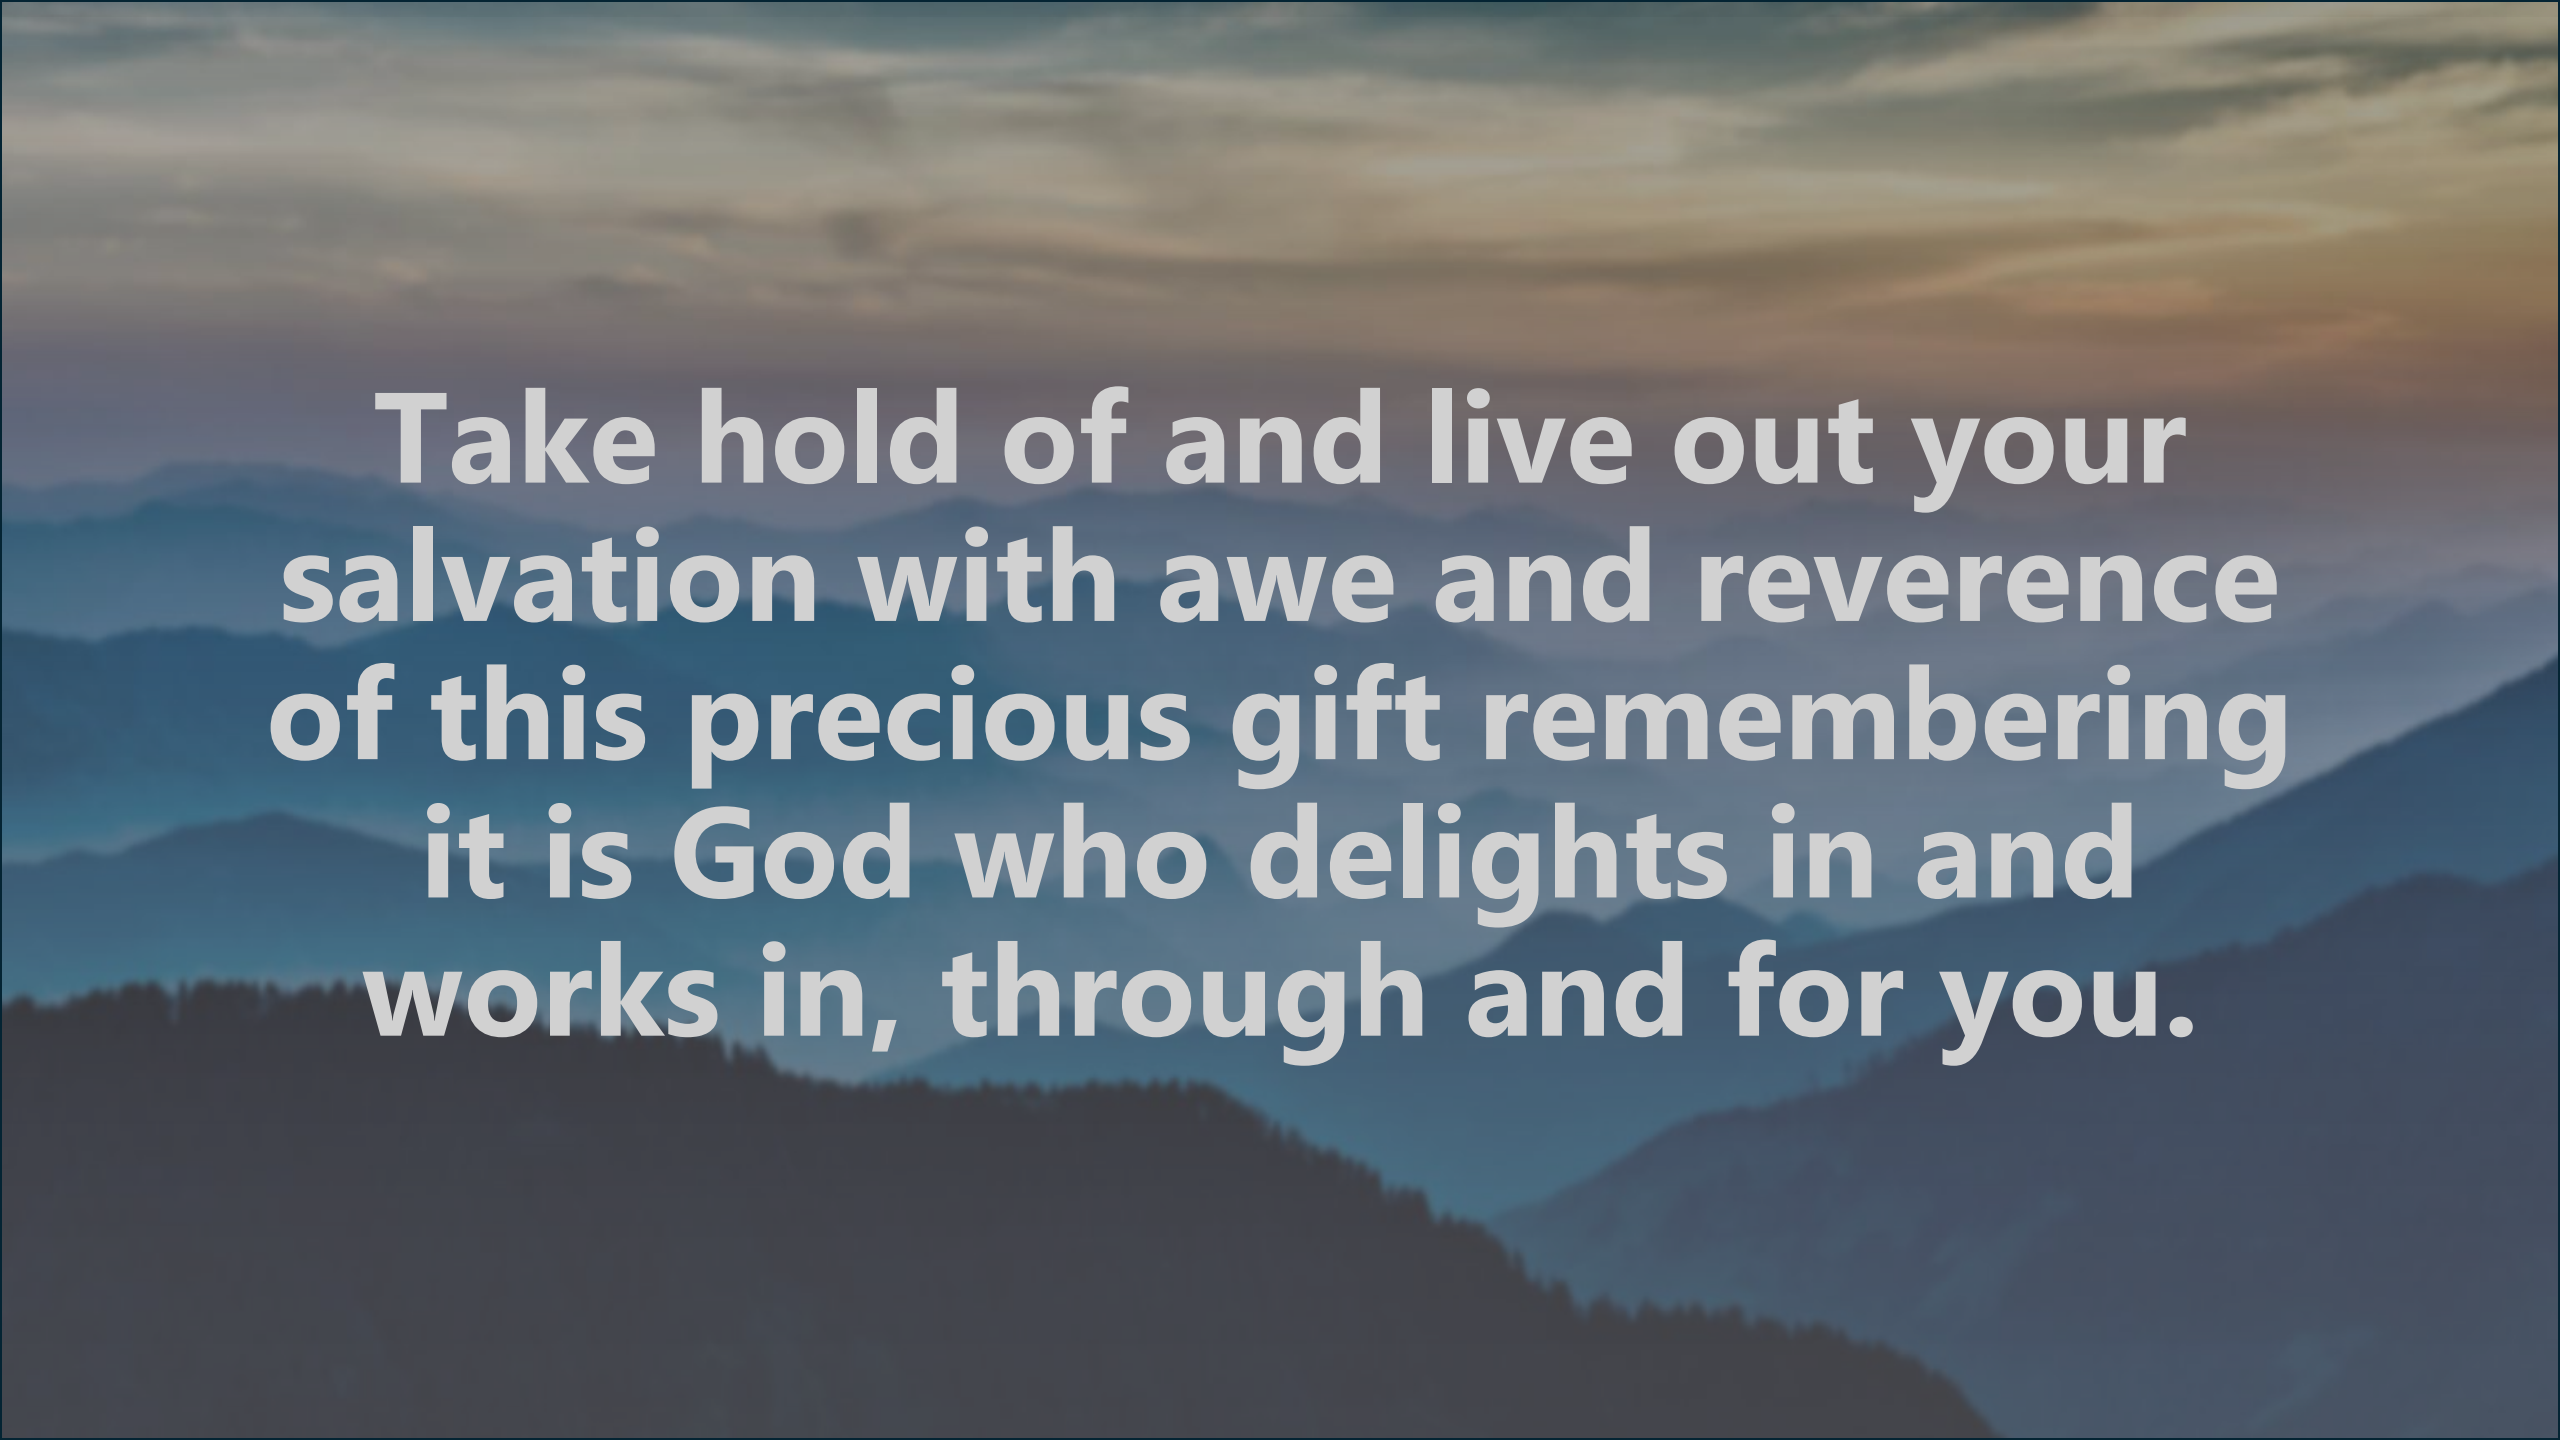

**... with fear and
trembling?**

**... for it is God who
works in you**

**to will and work for
his good pleasure**

**Take hold of and live out your
salvation with awe and reverence
of this precious gift remembering
it is God who delights in and
works in, through and for you.**

**Do all things without
grumbling**

Shine like stars

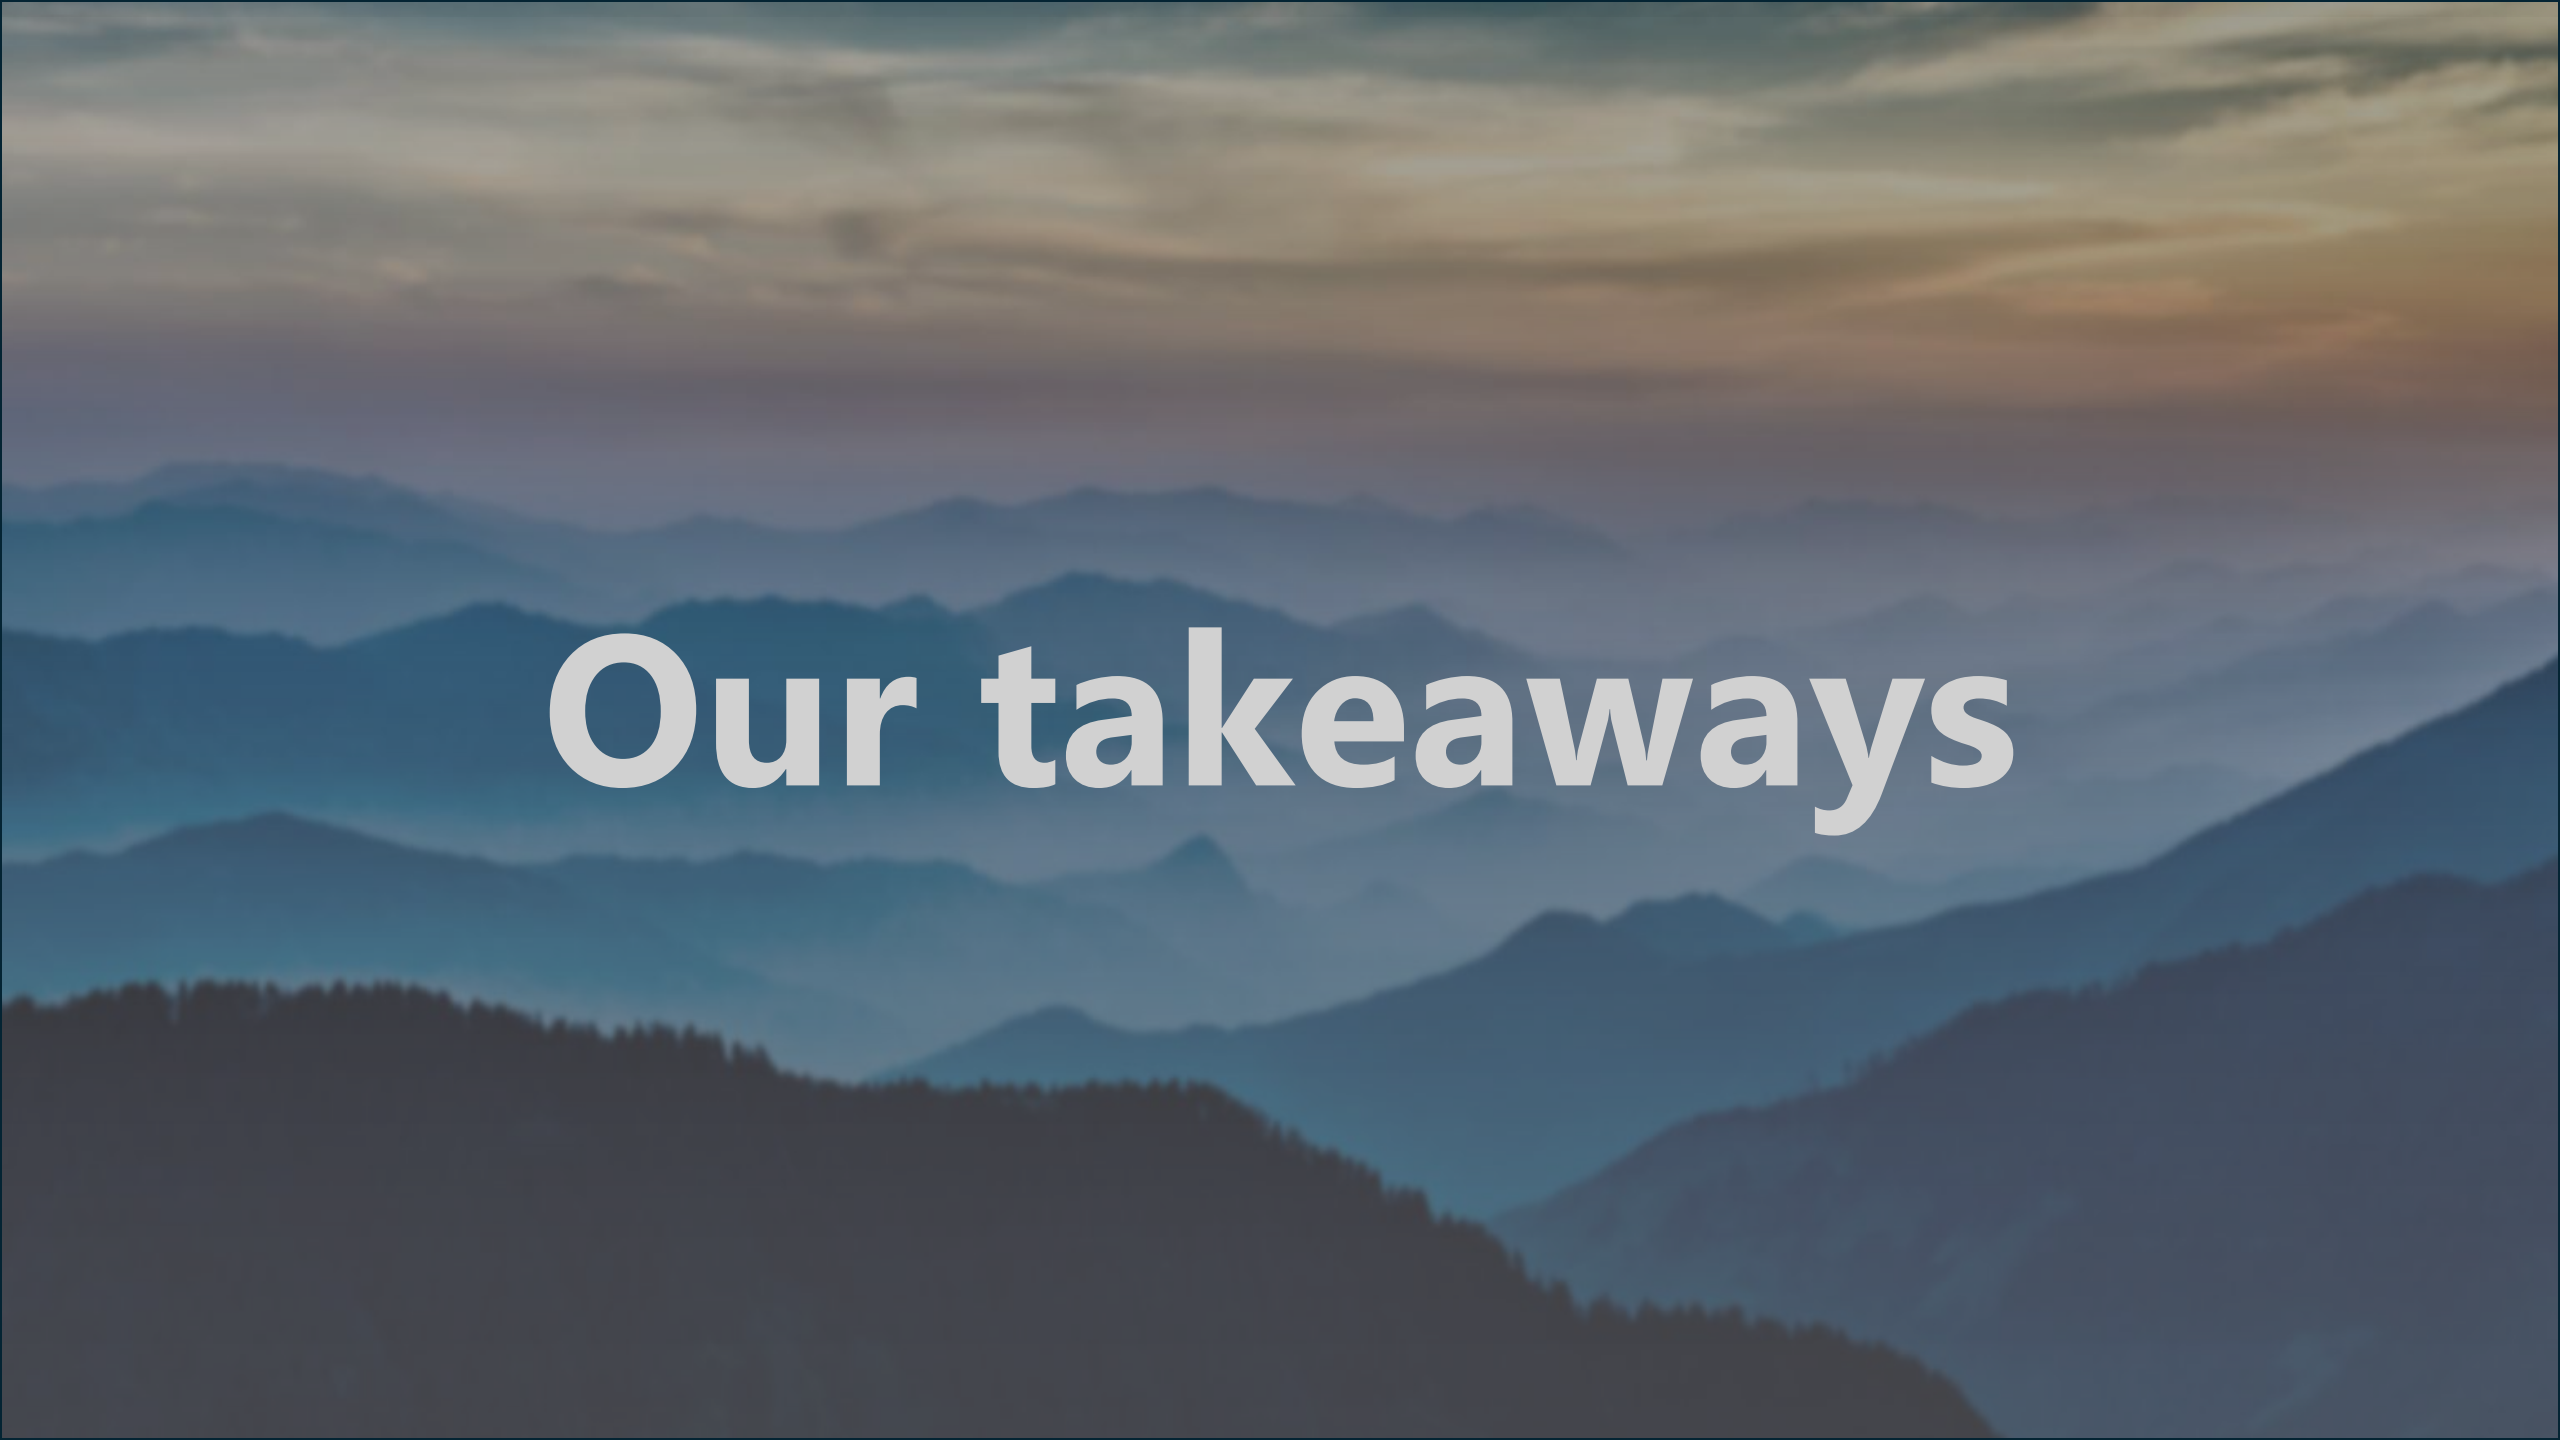

**Hold fast to the word
of life**

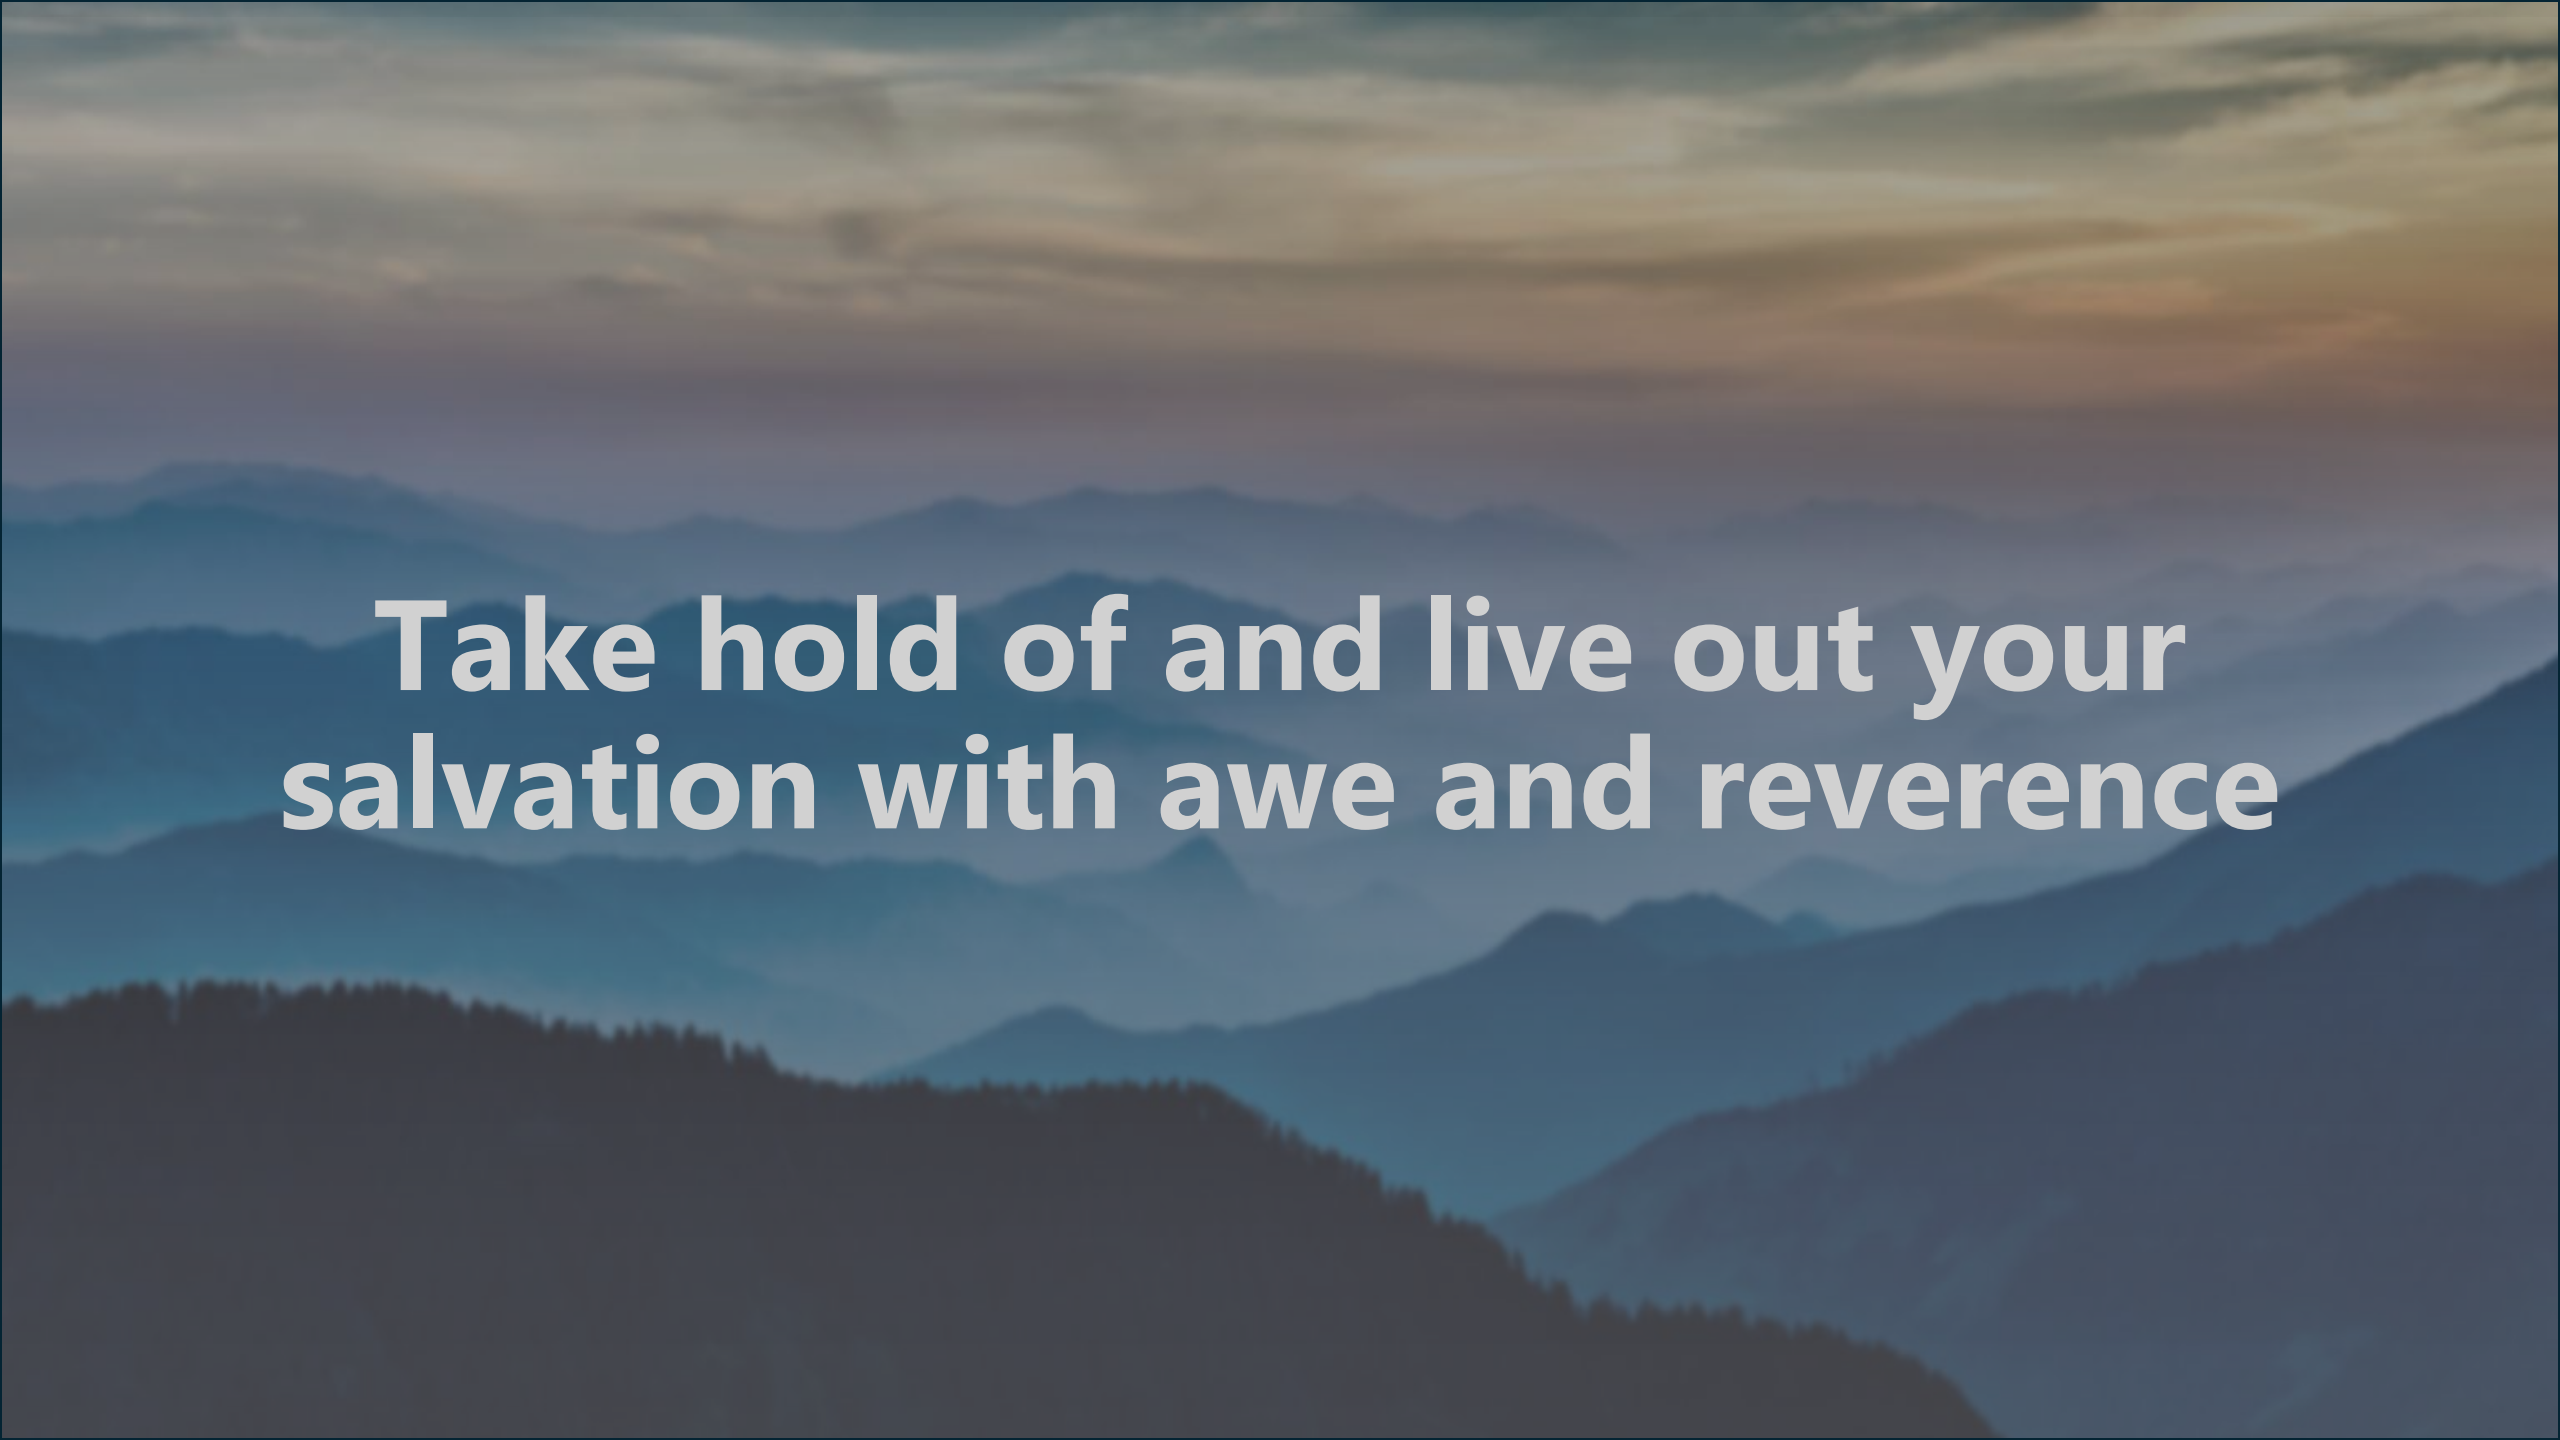

**Rejoice in your
circumstances**

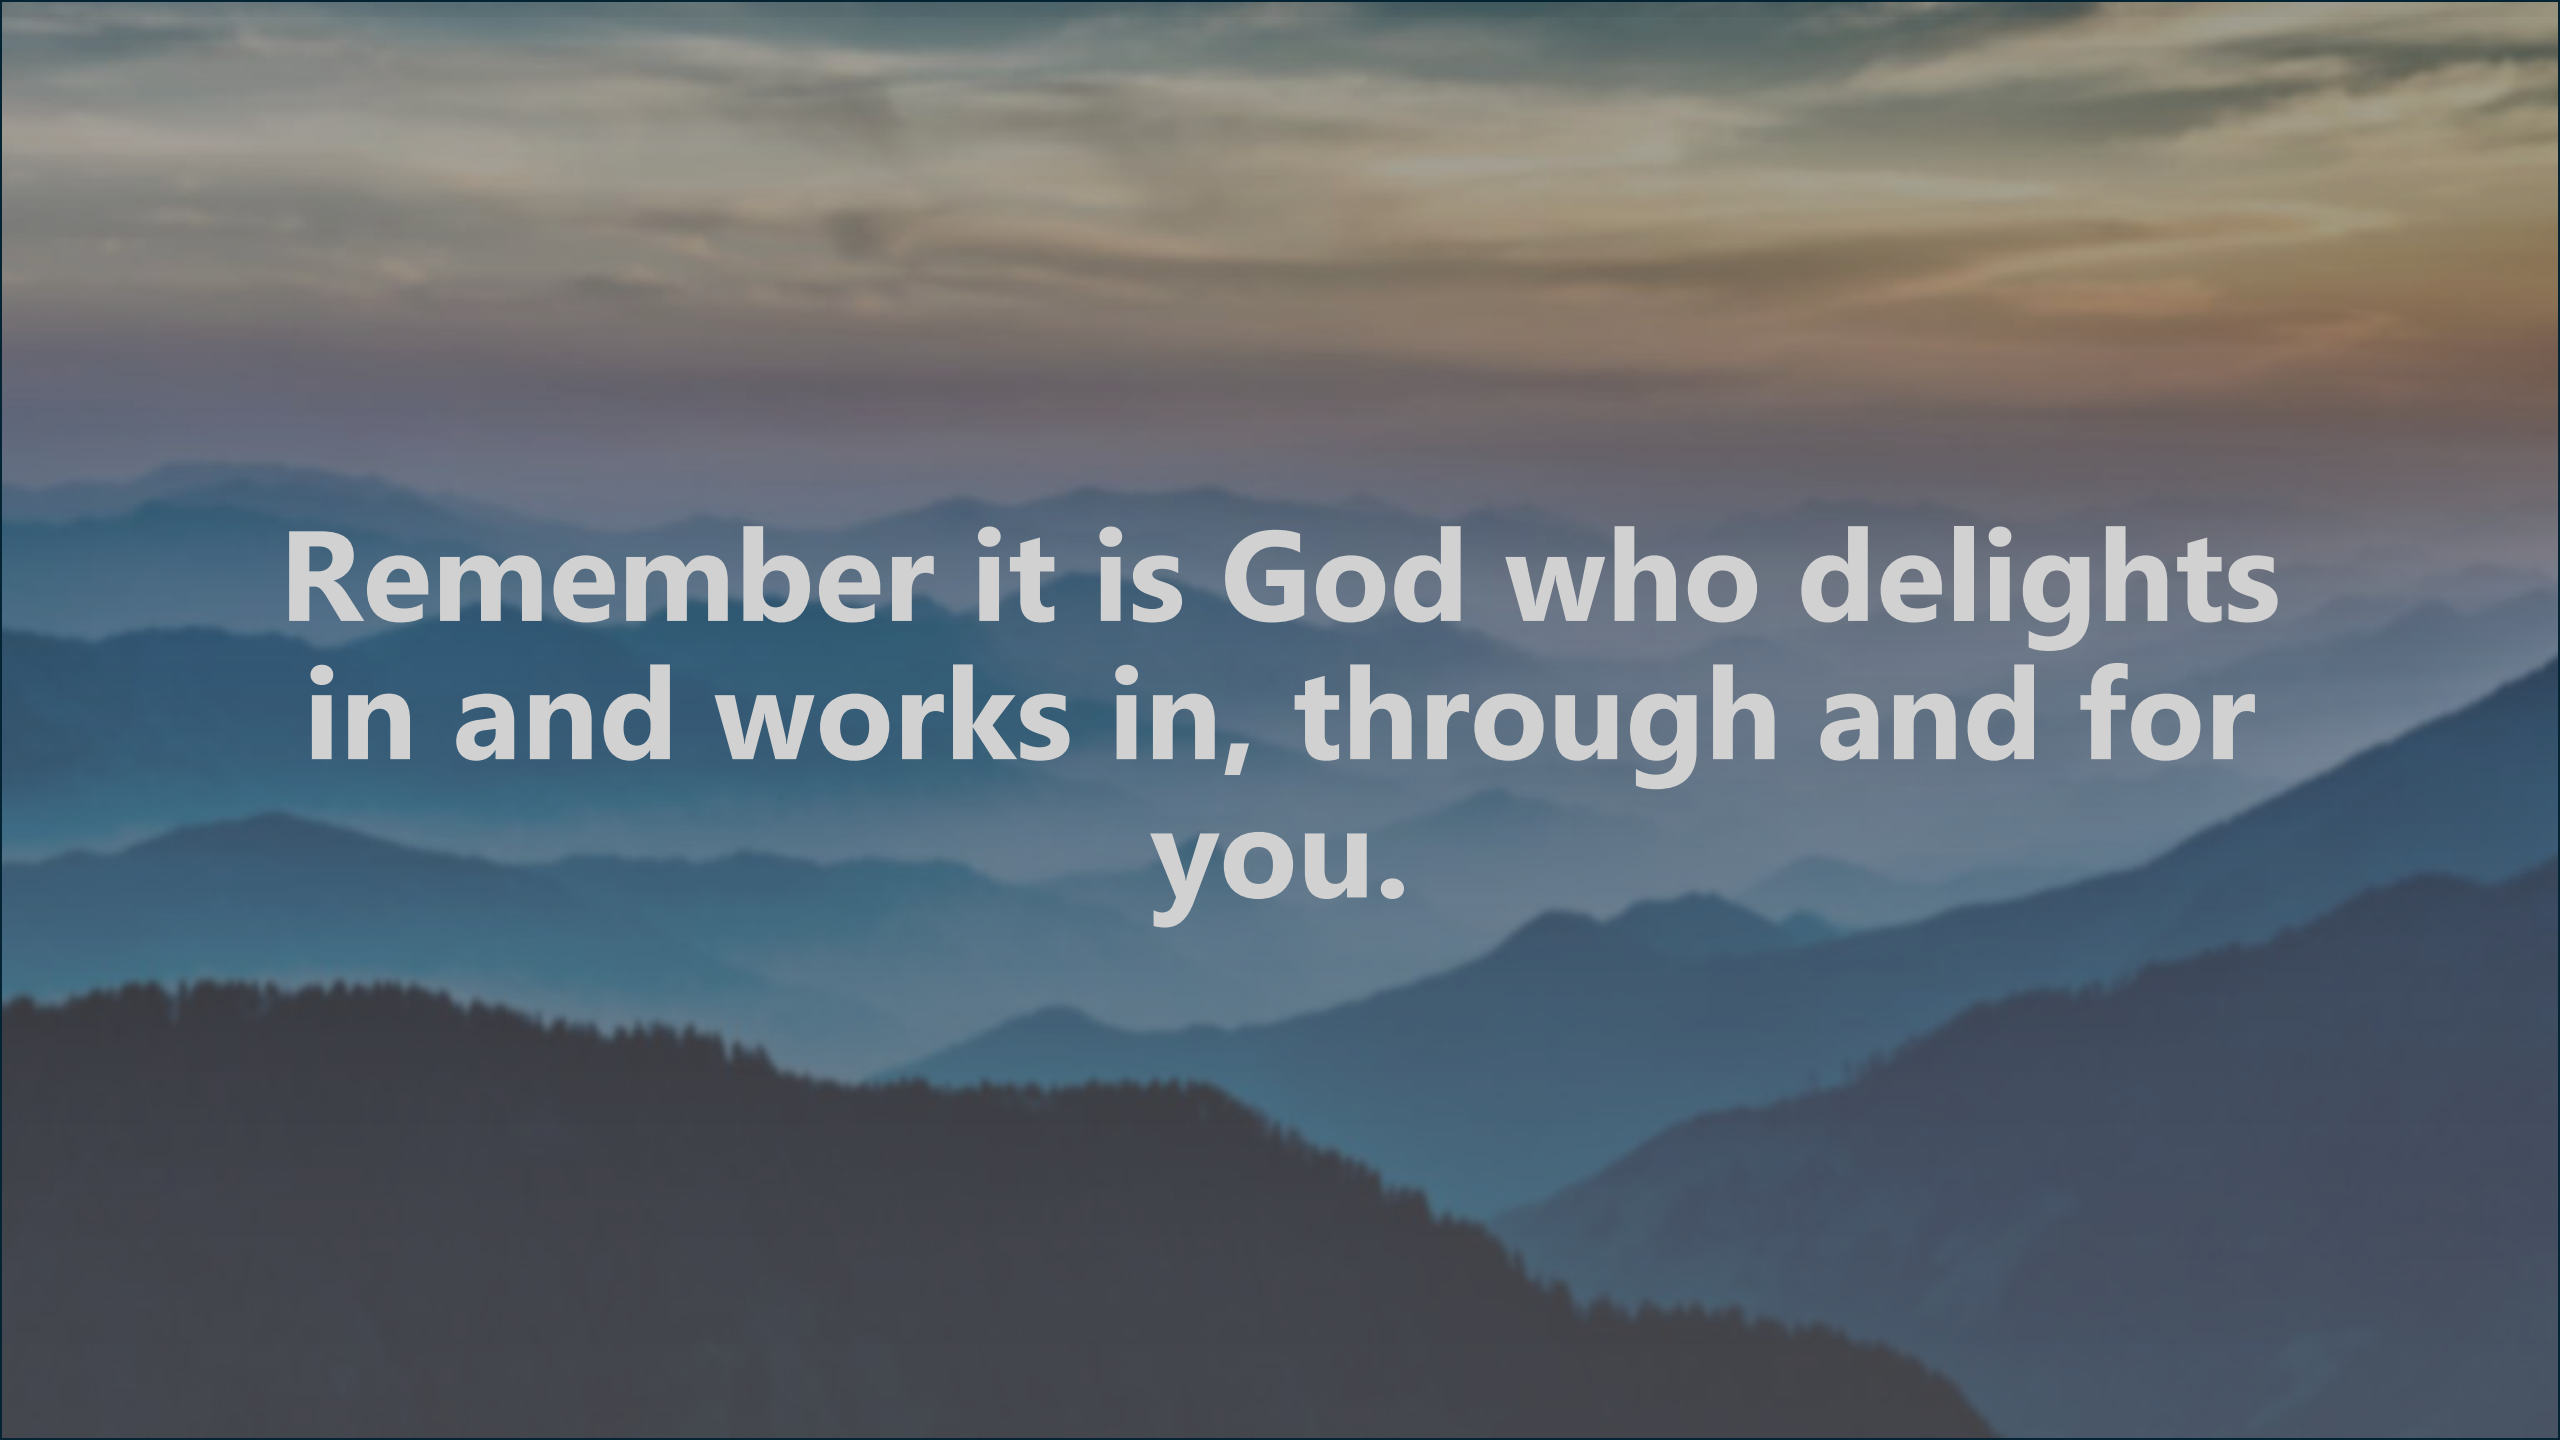

**Paul's affection for his
coworkers**

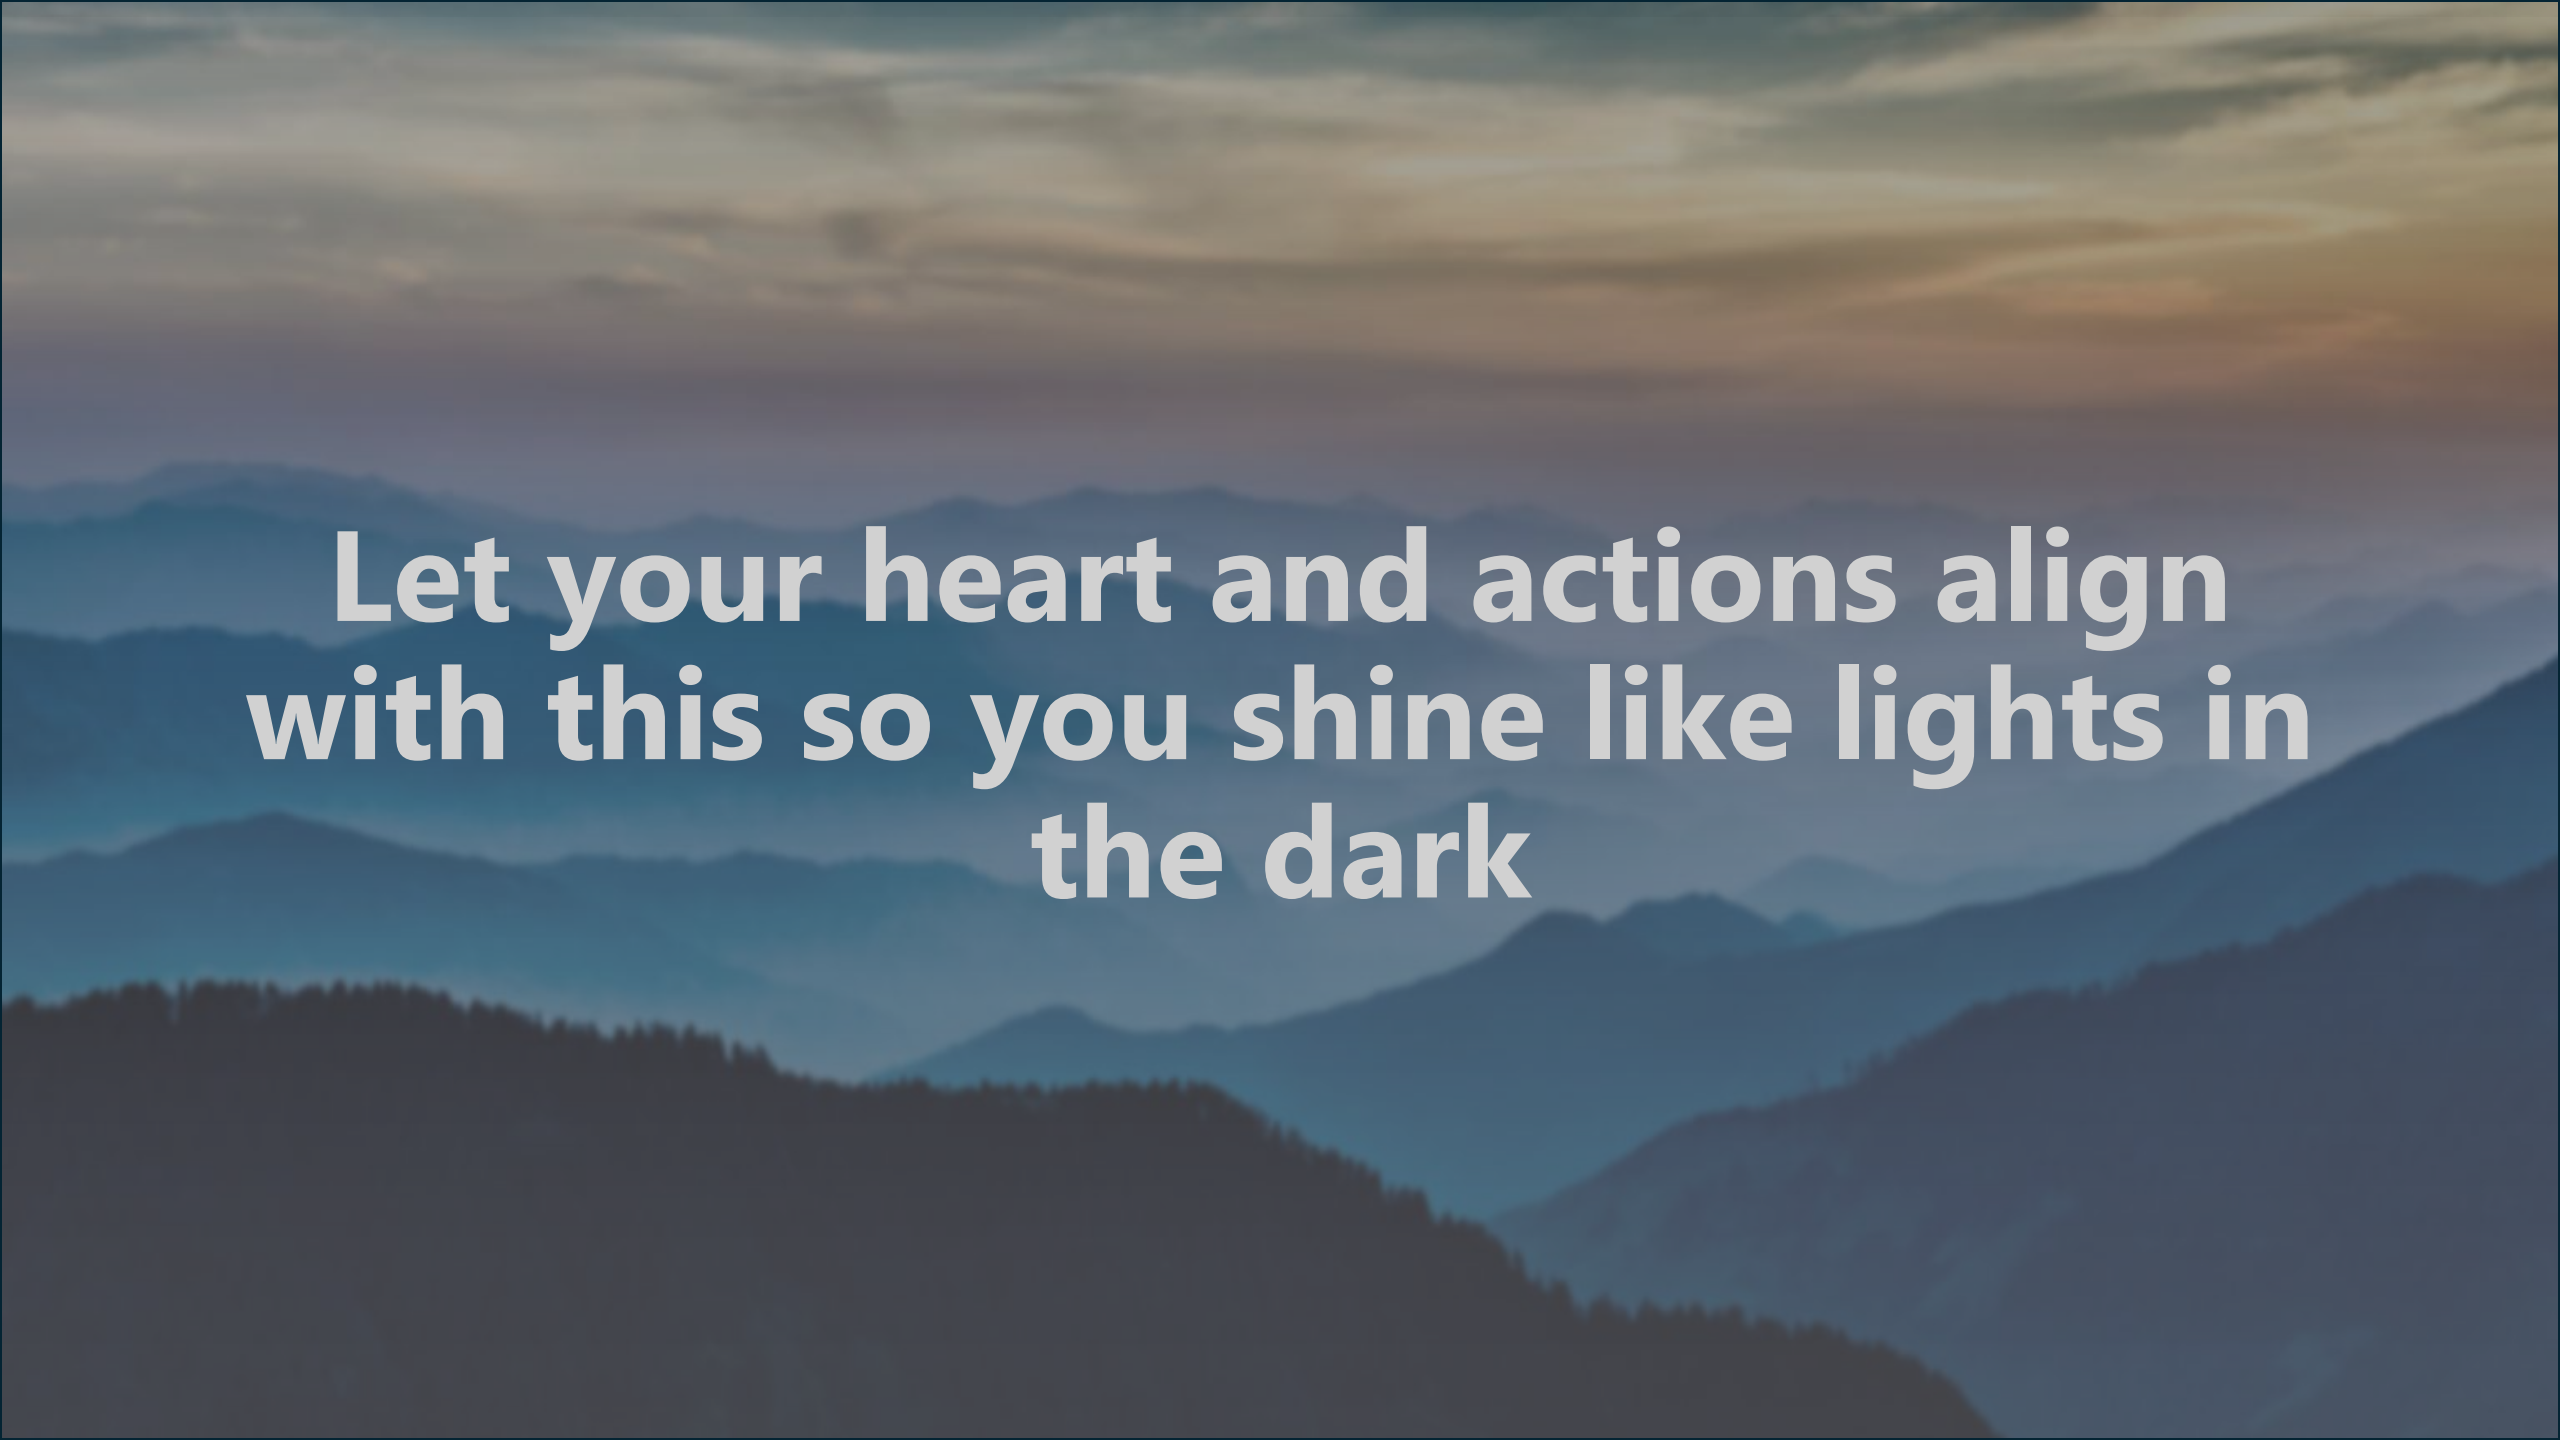

Our takeaways

**Take hold of and live out your
salvation with awe and reverence**

**Remember it is God who delights
in and works in, through and for
you.**

**Let your heart and actions align
with this so you shine like lights in
the dark**

Rejoice!
